Come Holy Spirit, move in power  
Ignite my heart with Your holy fire  
Show me the Father, show me the Son  
Revive my soul again, oh Spirit come

## **VERSE 2**

Come Holy Spirit, move in power  
Ignite my heart with Your holy fire  
Show me the Father, show me the Son  
Revive my soul again, oh Spirit come

## **CHORUS**

All my hope is found  
In the hands of Christ my King  
May my life be found  
In the hands of Christ my Kind

## **VERSE 3**

Come Holy Spirit, fill me up  
Till I am carried by Your rising flood  
Show me the Father, show me the Son  
Revive my soul again, oh Spirit come

## **BRIDGE**

If You're not here I don't want to be  
I won't be moved unless you move  
I want You more than the air I breath  
I need You, I need You

# EVIDENCE

*Ed Cash, Ethan Hulse, and Josh Baldwin*

## **VERSE 1**

All throughout my history  
Your faithfulness has walked beside me  
The winter storms made way for spring  
In every season, from where I'm standing

## **CHORUS**

I see the evidence of Your goodness  
All over my life, all over my life  
I see the promises in fulfillment  
All over my life, all over my life

## **VERSE 2**

Help me remember when I'm weak  
Fear may come but fear will leave  
You lead my heart to victory  
You are my strength and You always will be

## **BRIDGE**

I see the cross, the empty grace  
The evidence is endless  
All my sin rolled away, Because of You  
Oh Jesus

## **CHORUS 2**

Why should I fear? The evidence is here  
Why should I fear? The evidence is here

# UNTO HIM

*Evan Snyder, Melody Von Kahle*

## **VERSE**

Keep us in Your love oh God, For we are prone to wander  
Keep us in Your love oh God, Even when we falter

## **VERSE**

Keep us in Your love oh God, Amidst the wars and violence  
Keep us in Your love oh God, When all we see is darkness

## **PRE-CHORUS**

Lift up our eyes and fix them on You, God you alone are worthy  
Your love is faithful and is true, Your love is everlasting

## **CHORUS**

Unto Him, who is able and is willing  
To keep us from falling from grace  
Glory be, to our God our Savior, Jesus Christ our King

## **VERSE**

Keep us in Your love oh God, When we're tired and weary  
Keep us in Your love oh God, Even in our victories

## **BRIDGE**

What can separate us from You? Can anything come between us?  
As far as the east is from the west? How great is your love for us?  
Nothing can separate us from you, Nothing can come between us!  
No height or depth nor enemy can Restrain the love of the Father

## **CHORUS 2**

All glory, all majesty, to You for all eternity

## BUILD MY LIFE

*Brett Younker, Karl Martin, Kirby Kable, Matt Redman, and Pat Barrett*

### VERSE

Worthy of every song we could every sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breath, we live for You

### VERSE

Jesus the name above every other name  
Jesus the only one who could ever save  
Worthy of every breath we could ever breathe  
We live for You, of we live for You

### CHORUS

Holy, there is no one like You, there is none beside You  
Open up our eyes in wonder  
Show me who You are and fill me with Your heart  
And Lead me in Your love to those around me

### VERSE

When we arrive at eternity's shore  
When death is just a memory and tears are no more  
We'll enter in as the wedding bells ring  
Your bride will come together and we'll sing, You're beautiful

### BRIDGE

I will build my life upon Your love  
It is a firm foundation  
I will put my trust in You alone  
And I will not be shaken

**LITURGIES OF THE JOURNEY, PART VII:  
Thanksgiving at the Return of Joy  
Every Moment Holy, Vol II: Death & Hope**

For a long season, O Lord,  
I considered as an impossibility  
what I now know as unshakeable truth:

That after loss, pain, tragedy, tears,  
sorrow, doubt, defeat, and disarray,  
I will hold a more costly and precious joy  
than any I have held before;  
and this not in denial of my loss,  
but manifest in the very wreckage of it.

And so I know this unexpected joy  
is no glib and passing fancy.  
It is rather the diamond-hard treasure  
unearthed and recognized  
only when lesser hopes have collapsed.  
It is the knowledge of your unwavering faithfulness,  
O Christ, now experienced and owned.  
It is the bright beacon of your promises  
blooming in the night like signal fires  
upon mountain peaks.

I came to the end of my own hope, O God,  
and found that your hope held me still.  
I saw through the ruin of my own happiness  
that your better joy stood firm—  
an unassailable fortress  
that even death could not throw down.  
And you have lifted me from where I lay  
wounded on war-torn fields,  
and have planted my feet  
solidly upon your ramparts.
