Romans 10:5-13

THEME:

The Law, Faith, and the Gospel for the Nations

Read Romans 10:5-13 and consider these questions.

1. Based on the text and what we heard in the video, in what ways do you naturally, “ascend to heaven” or feel the need to earn your way to God?
2. Do you feel the connection between your head and your heart in your faith? Why or why not?
3. Are there any thought patterns or practices in your life that might betray a disbelief in the gospel being for all people (refer back to v. 12)
